# Mummy X Inquiry

## Before Investigation

1. What background knowledge do you have about Ancient Egyptian mummification?
2. If Mummy X were to come to life, how do you think it would feel about being taken from its tomb?
3. As a historian and scientist, what things would you look for to give clues about the mummy's identity?

## After Investigation

4. What basic facts do you know about the mummy? Explain why?
  - a- Gender-
  - b- Health Conditions
  - c- How old when died?
5. What social class or job might this person have done? Why do you think that?
6. What is the most likely cause of death? How do you know?
7. Any other interesting info:
