Passage Finder

Your job is to locate 3 special sections or quotations in the text for your group to talk over. The idea is to help people go back to some especially

- Interesting
- Funny
- Puzzling
- Important or
- Powerful sections of the reading and think them over more carefully

As you decide which passages or paragraphs are worth going back to, write your reason for picking each passage. Then write at least one discussion question that will help your group discuss that passage. During your meeting you can read the passage aloud yourself, ask someone else to read the passage, or have people read the passage silently and then discuss.
